

Auction and Raffle for the 2008 National

It's almost that time again for the National and not too soon to start thinking about what you would like to donate for the Auction. We love the baskets--so if you can get together with your local club or even yourself or just a friend or two in your area let's see how creative you can be. Will be glad to help if you're running into a dead end with ideas. Or if you would rather just send \$\$ I would be glad to make a basket for you. Also we need other auction items. We welcome and encourage all items--this is your time to help the club even if you can't attend the national. Again anyone that is short on time or ideas please feel free to call or email me and I'll be glad to help. If you need to ship items I'll be glad to transport them for you--just let me know how I can help.
