Top Ten Obedience 2017

URO1 UCH Sunsprite Ms Molly Brown CD PCD BN CGC

Molly rocked the obedience ring from the first time she entered it! Starting in April 2017, she quickly earned her first title in her first three trials, with two firsts and a second place in a very busy, very large all-breed venue! She quite frankly wowed me with her steadiness, confidence and fearless attitude. Molly Brown continued through the year winning many classes, multitude placements and HITS, all the while maintaining her willingness and "unsinkable" personality! I love my Molly Brown!

In Memoriam

R.I.P. February 1, 2018

Mrs. Vera Halpin Bistrim

Farewell to our friend and long time breeder/exhibitor of Halrok Min Pins, successfully established in the 1960s. Vera also bred and showed Dalmatians before she was smitten by the spunky and spirited Miniature Pinscher, which matched her own character. She later became an AKC judge of multiple groups and Best In Show. Vera judged all over the continental USA and other countries, and officiated over numerous Min Pin specialties throughout the years, including judging the MPCA national specialty. An MPCA member since 1969, Vera actively gave back to the club and the breed. She served MPCA in numerous capacities, including officer positions and national show chair. She was also a founding member of the Empire MPC of NY and later the South Florida MPC.

A native New Yorker, Vera and her husband Al (who predeceased her) moved to Florida in the late 80s. She was quite a character, a tough New Yorker through and through, with a heart of gold! One always knew where Vera stood on issues, quite admirably, and yet she was much supportive and kind when needed. Even after self-imposed retirement from judging a few years back (in her words, she didn't want exhibitors to think "What's that old biddy doing judging?"), she kept up to date with the show scene. Vera predeceased her brother and nephews who reside in New York. We extend our condolences to them as well.

Rest In peace, dear Vera. Our lives were enriched by your true friendship.
