MPCA TOP PRODUCERS

These achievements are based on the total number of champions produced by sires and dams over the dog's lifetime. Although these awards are awarded and updated annually, they are cumulative, differing from most other MPCA awards because they include all Miniature Pinscher AKC champions.

The Hall of Fame recognizes dogs that have sired at least twenty (20) champions and bitches that have produced at least eight (8) champions. These dogs and bitches represent less than 2% of all Min Pins who have ever produced at least one champion. The first year a sire or dam

qualifies for the Hall of Fame, he/she is presented with a plaque and listed in the Awards Program. After that, the total champions are adjusted and printed in the Awards Program each year in order of number of champions produced.

The Honor Roll recognizes dogs that have sired at least eleven (11) champions and bitches that have produced at least six (6) champions. The owners of these Min Pins receive a certificate designating the achievement of the dog/bitch. After that, the dog's names are listed in the Awards Program each year.

Let's learn about the Triple Crown Award:

1. Must be a MPCA member in good standing whose dog qualifies as having completed three (3) different AKC approved titles from three (3) different AKC approved venues with the most recent title earned in the awards year.
2. Must **complete** the nomination form as instructed on our website

It is suggested that you mail or email this form with EACH new title earned - do not wait until the end of the year. The statistician will confirm via email that your information has been received and where your dog stands as far as the requirements for the Triple Crown.

As new titles are added to each venue every year, your AKC certificate will tell us which title is the "new" one. By sending a copy of the certificate, we can verify that titles are being earned in different venues.

As new venues are added by AKC the Club will determine to which category the new venue will be classified. A venue may be used more than once as more titles are earned; however, the venue can only be used once each year for each triple crown.

Venues for the Miniature Pinscher Club of America Triple Crown Award effective June 1, 2017:

- Agility includes regular and preferred, standard and all games
- Certificates and Other AKC Approved, includes all CGC, CGCA, CGC-U, Farm Dog, and Trick Dog Certifications, all levels of Barn Hunt, Dock Diving and Flyball
- Conformation includes Champion, Grand Champion, Bronze, Silver, Gold, and Platinum
- Coursing includes all CAT and FAST CAT titles
- Earth Dog includes all levels
- Obedience includes all regular and non-regular titling classes
- Rally includes all classes
- Scent Work includes all nose work titles
- Therapy must be AKC level THD
- Tracking includes all tracking titles

The following is directly out of our original Charter for the Miniature Pinscher Club of America. Dated March 27, 1976 and filed with the state of Louisiana corporation application.

Objects and Purposes

The objects and purposes of the club shall be:

- (a) To encourage and promote the breeding of pure-bred Miniature Pinschers and to do all possible to bring their natural qualities to perfection;
- (b) To urge members and breeders to accept the standard of breed as approved by the American Kennel Club as the only standard of excellence by which the Miniature Pinscher shall be judged;
- (c) To do all in its power to protect and advance the interests of the breed by encouraging sportsmanlike competition at dog shows;
- (d) To conduct sanctioned matches, obedience trials, and specialty shows under the rules of the American Kennel Club;

Thank you for supporting your parent club and especially for contributing to the health and welfare of the purebred Miniature Pinscher.

Hope you enjoyed your 2018 National Specialty!!
