MPCA TOP PRODUCERS

These achievements are based on the total number of champions produced by sires and dams over the dog's lifetime. Although these awards are awarded and updated annually, they are cumulative, differing from most other MPCA awards because they include all Miniature Pinscher AKC champions.

The Hall of Fame recognizes dogs that have sired at least twenty (20) champions and bitches that have produced at least eight (8) champions. These dogs and bitches represent less than 2% of all Min Pins who have ever produced at least one champion. The first year a sire or dam qualifies for the Hall of Fame, he/she is presented with a plaque and listed in the Awards Program. After that, the total champions are adjusted and printed in the Awards Program each year in order of number of champions produced.

The Honor Roll recognizes dogs that have sired at least eleven (11) champions and bitches that have produced at least six (6) champions. The owners of these Min Pins receive a certificate designating the achievement of the dog/bitch. After that, the dog's names are listed in the Awards Program each year.
