## Futurity Stake Rules and Regulations

### INTRODUCTION

The purpose of the Futurity Stake is to encourage the breeding of the best possible Miniature Pinscher and to reward the breeders for their efforts. For this reason, the Stakes are weighed in the favor of the breeder, who is the one that chooses the sire, nominates the bitch before whelping, and often pays the entry fees for the individual puppies as well. The Futurity Stake is open only to breeders who are active members, in good standing, with the Miniature Pinscher Club of America, Inc.

### DESCRIPTION

The Futurity Stake shall be held in conjunction with the Miniature Pinscher Club of America National Specialty Show and Sweepstakes Events. Should the MPCA Specialty not be held within the time limits applying to the Futurity Rules, the Board of Directors shall decide either to distribute the monies accrued toward the Futurity Stake or move both the monies and the puppy eligibility to the next National Specialty Event.

The Futurity Stake is entered by the nomination of an in whelp bitch, prior to the birth of the litter. The get from this litter are eligible to compete in the first annual Futurity Stake, and only in this stake, held on or after the puppies reach six months of age.

The bitch whose litter is nominated must be owned (or leased) in whole or part by an MPCA member in good standing. Thus, if a bitch is co-owned or leased by two people, at least one must be a MPCA member. This requirement does not apply to the owners of the puppies from the nominated litter.

### NOMINATION DEADLINES

The nomination of the bitch's litter must be made after she is bred, but **before** the whelping date. Nominations are non-transferable, non-refundable, and may not be assigned to another bitch, even in the event of no puppies.

### FEES

Fees for the Litter Nomination(s) and the Puppy Nomination(s) will be determined by the MPCA Board and are non-transferable and non-refundable. Such fee(s) will be indicated on the nomination form(s). All applicable fee(s) must be submitted with the appropriate nomination form(s).

The litter nomination may be made for:

- futurity only - \$35
- both futurity and maturity - \$50
- maturity only, if both futurity only was selected and within 6 months of the puppy's age, for an additional \$35.

### PROCEDURE FOR NOMINATING LITTERS

Any active MPCA member, in good standing may nominate a litter for the Futurity Stakes. The nomination must be made on an official Futurity entry form which can be obtained by writing to the Futurity Chairman, printing it from the website [www.minpin.org](http://www.minpin.org), or requesting it through email from the secretary or Futurity Stakes chairperson. Again, the litter nomination must be made prior to the whelping of the litter. The determination date for timely nominations shall be the postmark on the envelope or email, which must be dated no later than midnight the day prior to the whelping of the litter. The breeder shall be supplied with a confirmation of nomination of the litter and a litter number. At the time of the AKC Litter Registration, the breeder shall provide the Futurity Chairman the whelping date, number and sex division, as well as the AKC numbers for the litter nominated.

The nomination of a litter qualifies any of the puppies for entry in the Futurity Stake, regardless of the ownership of the individual puppy when entered or shown. Nomination of the litter serves as the nomination of the individual puppies.

### ELIGIBILITY

The Miniature Pinscher must be entered in one of the regular classes at the MPCA Specialty Show if the Futurity Stakes is held in conjunction with the Specialty Show. If the Futurity Stakes is held in conjunction with an all-breed show, the dog must be entered in one of the regular classes at the show. When completing the entry form, the fact that the dog is to be shown in the Futurity Stakes must be indicated on the entry form. The entry fee for the Futurity class is an additional fee. This fee should be included with the regular entry fee for the class at the show. No Miniature Pinscher will be eligible to compete in the Futurity Stakes which does not meet the following requirements:

1. Be from a litter which was nominated in a proper and timely fashion.
2. Be properly entered in one of the regular classes at the show.

If the application for membership in the MPCA is not accepted, the nomination of the litter will be null and void, the nomination fee and membership dues will not be refunded. ### **SELECTION OF JUDGES**

It shall be the prerogative of the owners of the nominated dams to nominate the Futurity Stake judge. Upon notification by the Futurity Chairman, at a time to be six months, more or less, prior to the Futurity Stake, the owner of each nominated dam may nominate one person for the Futurity Stake judge.

Each eligible breeder shall thereafter, one month, more or less, from the deadline for nominations, receive a ballot listing all persons nominated as set forth above. Each eligible breeder shall vote for one candidate.

The candidate receiving the highest total number of votes shall be declared the Futurity Stake judge for that particular year. In the event the number of dogs entered requires a second judge, the candidate receiving the second highest total number of votes shall judge the bitch classes only. When the ballots for selection of a judge are tallied and a tie for first place has resulted, the Futurity Chairman shall determine who will be the judge for that particular Futurity.

During the nominating and voting period, the Futurity Chairman will not disclose names of Futurity Stakes breeders. No voting information will be disclosed, in accordance with a specified deadline date. At that time, the participants will be notified of the voting outcome. Ballots which are incomplete, incorrect, unsigned or exceed the deadline date will be considered invalid.

Persons nominated as the Futurity Stake judge do not necessarily have to be an AKC licensed Miniature Pinscher judge but must be in good standing with the AKC and have bred and finished two Miniature Pinschers. The fee for judging a futurity shall be no more than \$50.00, reimbursement for one night's lodging, dinner at the Awards Banquet and lunch or dinner on the day of their judging assignment.

Any person(s) elected to judge a Futurity Stake, who has nominated a litter(s) for that same Futurity Stake, or who has an immediate member of his/her family with a nominated litter(s), automatically voids the competition of that litter(s) in that same Futurity Stake. Any monies paid by the person(s) to the Futurity Stake are refundable due to the conflict of interest.

Any Futurity nominated puppy who, by virtue of its placement in the Futurity, could result in a monetary prize to the judge would be ineligible for competition at that Futurity. A refund of all nomination fees for the ineligible dam and puppies will be made due to the conflict of interest. Nominators must apply to the MPCA Futurity Chairman for this refund prior to the close of entries.

The Futurity Judge by his/ her agreement to judge, agrees to the following: The Futurity Judge shall not exhibit, or have an exhibit in the Futurity Stakes, Sweepstakes, or the National Specialty, which the Futurity Stakes is a part of. The Futurity Judge may exhibit at any show following or preceding the National Specialty. Futurity Chairman shall not exhibit or own any exhibit at the Futurity Stake.
